

Biography

Jason Aspinall

Chief Financial Officer

Jason Aspinall is SSP's CFO. Jason joined SSP in 2021, and leads the Finance, HR, and IT teams, bringing his experience to support growth through actionable data.

Prior to SSP, Jason worked for Nestle for 15 years, with much of his career focused in manufacturing finance, split between factory-based and corporate roles of progressive responsibilities.

Jason earned a BA in Accounting from Bradley University, and an MBA from Illinois State University. Originally from Michigan, Jason has completed over 10 marathons and visited all 50 US states with his wife. He enjoys watching their children play youth sports (mainly soccer) and taking them to new places.
