

Biography

Jim Ryder

Vice President, Supply Chain & Operations

Jim Ryder is the Vice President of Supply Chain & Operations at SSP. He leads all our activities for operational planning, purchasing, and warehouse management.

Prior to joining SSP, Jim gained over 20 years of Supply Chain and Operations experience in multiple industries including Aerospace, Automotive, and Industrial Automation. Jim has a passion for developing people and building supply chain solutions to support business growth.

Jim earned his undergraduate degree in Business Management from the Pennsylvania State University and a Master's Degree in Business Administration from Case Western Reserve University. In his spare time, Jim is an avid snow sports enthusiast, little league baseball coach and enjoys spending time with his wife and two young children.
