

To order LN Series valves, follow the steps below.

- 1 Add "A" for angled valve or leave blank for straight. Example A400K
- 2 Add the basic ordering number. Example A400K
- 3 Add stem type. Example A400K

(basic part number)

A	B	C
A	400	K

<p>A ANGLE PATTERN Blank Straight A Angle</p>	<p>B BASIC ORDERING NUMBER SEE CATALOG</p>	<p>C STEM TYPE Blank Metal Stem Tip (Vee) K Soft Seat, PCTFE</p>
---	---	--

To order, add the Material Designator and the desired Stem Type Designator as a suffix and the Angle Pattern Designator as a prefix to the basic ordering number
