

## Ordering Instructions

**Ordering 4900 Series valves requires the following steps:**

- ① Locate the Basic Part Number from the Part Number and Dimensions.
- ② Add the designators for options.

**A** - **B**  
**9412 316**

**A**

End Connections		Basic Part Number
Type	Size	
Fractional Tube Fitting	1/8	4902
	1/4	4912
	3/8	4922
	1/2	4932
Female NPT	1/8	4910
	1/4	4920
	3/8	4930
	1/2	4940
Male NPT	1/8	4906
	1/4	4916
	3/8	4926
	1/2	4936
Fractional Tube Adapter	1/8	4952
	1/4	4954
	3/8	4956
	1/2	4958
SAE Straight Thread	9/16-18	4926ST
	3/4-14	4928ST
Purge Tees		
Fractional Tube Fitting	1/4	4912T
	3/8	4922T
	1/2	4932T
	3/4	4942T

**B** **Body Materials**  
 Select the body material for your application, then add the designator after the end connection designator.  
*Example: 4912-B*

Material	Designator
316 SS	-316
Brass	-B

**Tube Fitting End Connections**  
 SSP offers three tube fitting designs. Duolok two-ferrule tube fittings are standard. To select a different design, select the designator from the table below, then add it to the part number.  
*Example: 4912-316-U for Unilok tube ends.*

Design	Description	Designator
Duolok (Standard)	2-Ferrule	Blank
Unilok	1-Ferrule	U
Griplok	2-Ferrule	G
