

## Certificate of Compliance: RoHS Directive and REACH Regulation

This is to certify products manufactured by SSP do not contain restricted substances on RoHS and REACH lists as of the following effectivity dates with exception noted.

RoHS list effective July 22, 2019

REACH List effective January 17, 2022

Exception: Brass components may contain up to 3% lead. RoHS provides an exemption for copper based alloys up to 0.4% lead. Therefore brass products do not qualify under that exemption.

T. Holder

A handwritten signature in black ink that reads 'T. Holder'.
